

SUMMARY OF ANVITA HEALTH GUIDELINES (RULES/GAPS IN CARE)

Cardiovascular Disorders

Coronary Artery Disease

Myocardial Infarction (MI)

Angina Pectoris

Heart Failure

Hypertension

Hypertension

Blood Pressure Management

Heart Disease

Hyperlipidemia

TIA/Stroke

Peripheral Vascular Disease

Atrial Fibrillation

Arrhythmias

Cardiac Valvular Disease

Infectious Diseases

Sexually-Transmitted Disease

HIV Infection

Tuberculosis

Infectious Disease

Obstetrics and Gynecologic Disorders

Immunizations

Pediatric Immunizations

Adolescent Immunizations

Adult Immunizations

Immunizations

Gastrointestinal Disorders and Nutrition

Hepatic Disease

Dyspepsia/Peptic Ulcer Disease (PUD)

Nutritional Disorders

Electrolyte Disorders

Obesity

Gastrointestinal Disorders

Endocrine Disorders

Diabetes

Thyroid Disease
Endocrine Disease

Prevention and Screening

Cancer Screening

Prostate Cancer Screening
Breast Cancer Screening
Cervical Cancer Screening
Colorectal Cancer Screening
Prevention and Screening
Adult Screening
Sexually-Transmitted Disease (STD) Screening
Osteoporosis Screening
Glaucoma Screening
Diabetes Screening
Preventive Care
Thromboembolism Prevention
Tuberculosis Prevention

Medication Therapy

Medication Use
Laboratory Monitoring of Drug Therapy
Drug Levels

Respiratory Disorders

Chronic Obstructive Pulmonary Disease (COPD)

Asthma

Pulmonary Disease
Acute Bronchitis
Pneumonia

Genitourinary Disorders

Benign Prostatic Hypertrophy
Renal and Urinary Tract Disorders
Urinary Incontinence

Dermatologic and Allergic Disorders

Hematologic Disorders and Cancers

- Hematologic Disorders
- Thromboembolic Disorders
- Cancer Symptom Management
- Breast Cancer
- Colorectal Cancer

Neurologic Disorders

- Neurologic Disorders
- Hearing
- Ophthalmologic Disorders
- Headache
- Epilepsy

Autoimmune Disorders

- Autoimmune Disorders
- Rheumatoid Arthritis

Musculoskeletal Disorders

- Inflammatory Joint Disease
- Low Back Pain
- Osteoarthritis
- Osteoporosis

Psychiatric Disorders and Substance Abuse

- Mental Illness
- Depression
- EtOH Management
- Smoking

Pediatric Disorders

- Pediatrics
- Pediatric Upper Respiratory Infection

Other

- Geriatrics
- Organ Transplant
- Pain Management
